Commissioner for Patents

As stated by the reasons of allowance the patentability is the combination of all the elements as claimed. The intent was not to repeat all the limitations of the claims but to point out of the prominent structural features of the claim.

The IDS filed 04/26/01 has been considered and does not affect the patentability of the case as such, applicant is directed to the NOA issued 08/25/04 & 07/21/04.
